--	--	-----------------

EXPERIENCE

Texas Interdisciplinary Program – *Lead Course Assistant, Course Assistant; Austin, Texas* **August 2018 – Present**

- Manage 10 undergraduate course assistants through scheduling, conflict resolution, and team building to establish a cohesive unit
- Utilize Socratic Questioning techniques to develop student's analytical skills with a focus in general chemistry course material
- Coordinate with multiple professors and program directors to forge a welcoming, informative, and collaborative study space

Walgreens – *Certified Pharmacy Technician; Austin, Texas* **March 2018 – June 2019**

- Interacted with customers through medication purchases and provided quality customer service to promote an amiable environment
- Verified insurance coverage by calling insurance representatives to adjust Third Party Rejections, allowing for lower copays for customers
- Prepared and filled prescriptions skillfully using detail-oriented processes to confirm correct amounts, dosages, and types of medications
- Learned to utilize Walgreens' proprietary computer software to ensure efficient and competent workflow within the pharmacy

RESEARCH

Gene Networks – *Focus: Vertebrae Interactome Mapping; Austin, Texas* **Spring 2018 – Fall 2019**

- Collaborated with research educator to learn the significance and practice of basic lab protocols, assays, and research methods
- Employed lab techniques to confirm the presence of the spliceosomal genes DHX16 and DHX36 in bacterial and animal cells
- Composed academic proposals and manuscripts to document the progress of my individual genetic research

VOLUNTEERING AND ORGANIZATIONS

UT Lions Service Committee – *Vice President, Service Chair* **Spring 2019 – Present**

- Empower volunteers to serve communities by meeting with local Austin services to organize weekly creative and interactive events
- Oversee event attendance and participation to meet humanitarian needs, encourage peace and promote international understanding
- Create and present slide decks weekly to update general membership on service-oriented opportunities in the greater Austin community

HealthStart Foundation– *Curriculum Specialist* **Summer 2018 – Present**

- Wrote and starred in a dozen scripts for the Snack Science Video Series, which focuses on healthy lifestyles and body systems
- Filmed videos weekly, discussed projects during weekly meetings and brainstormed how to advocate for underserved children
- Developed and refined the HEY! Curriculum which is a verified educational resource by the Austin Independent School District

Bengali Learners Union – *Co-Founder* **Spring 2018 – Present**

- Organize lunches and study sessions for members to establish an accessible avenue for new study partners and interpersonal relationships
- Devise weekly lesson plans, including worksheets, quizzes, and study techniques to standardize a structured class framework

GirlUp – *General Member* **Spring 2017 – Spring 2020**

- Volunteered with diverse women's foundations such as Con Mi Madre to actively & financially enrich local communities
- Hosted bi-weekly profit shares to support local restaurants in Austin and raise funds for further community service causes
- Accumulated supplies through tabling on campus to donate necessities to organizations such as the sanitary products drive
